

# Seaside Stroll: Called!

Ref: 1.22

Draw 2 pictures. The first one to show how you are today – what you wear, things you like. The second one to show what you may be like in 10 years' time when you are an adult. What will you wear and what job might you have?

A target diagram consisting of four concentric circles. Five callout boxes with pointers are arranged around the target, each pointing to a specific area:

- Top-left: Points to the center circle. Text: "Who is in the very centre of your life? Write the answer here."
- Top-right: Points to the second ring from the center. Text: "Write your name and the names of all your family here."
- Bottom-right: Points to the third ring from the center. Text: "Who can help you? Write their names here."
- Bottom-left: Points to the fourth (outermost) ring. Text: "What do you think you are called to do? Write it here."
- Bottom: A large box with a pointer to the center circle. Text: "I call .....  
Write your name as a reminder that God is calling you..."
