

# Act It Out Script

Jesus' friends were very **sad**.

Jesus' friends were very **confused**.

They were **sad** because Jesus had died on the cross.

They were **confused** because Jesus was now alive again but they didn't know where he was.

So because they were **sad** and **confused** and a little bit **hungry**, they decided to go and do what they did best. They went fishing.

It was late at night and some of Jesus friends were very **tired** as they rowed the boat.

They threw the net over the side of the boat and waited.

But nothing happened.

They started to get **bored**.

They tried again and waited.

But still no fish.

Now they were very **tired**.

They tried again and waited.

But still no fish.

Now they were a bit **grumpy**.

So they tried one more time – but still no fish.

By now they were **bored, tired and grumpy**.

So they decided to go back to the shore.

It was now nearly morning and they were very **hungry**.

As they got near to the shore, one of them shouted "Look there's a man on the shore. What's he doing?"

They all looked very **puzzled**.

Then they realised that the man was telling them to throw the net over the other side.

The disciples were little bit **angry**.

We've been trying all night they said.

But the man on the shore kept telling them to throw the net over.

So they did.

And guess what!

The disciples looked **amazed** as they pulled up a full net of fish.

They began to row towards the shore and as they did they realised the man on the shore was Jesus.

They were **excited**, and **happy** and **amazed** all at the same time.

But they were still **hungry**.

So Jesus took some of the fish they had caught and made breakfast.

Simon went to the boat - and dragged the net of fish to the shore. The fish were big and there were 153 in total! But the net didn't break.

Jesus said, "Throw the net down from the right side of the boat and you will catch something!" The followers did, and they caught so many fish they couldn't get them all into the boat!

After Jesus rose from the dead, he showed himself to his followers by Lake Galilee.

Jesus said to them, "Come and eat breakfast." They didn't ask Jesus, "Who are you?" They realised for sure it was Jesus.

One of the followers said to Peter, "It's the Lord!" Peter then jumped into the water to get to Jesus. The others took the boat and the fish to the shore.

The followers had been fishing in a boat. They had fished the whole night but not caught a single fish.

Jesus took the bread and fish and gave it to them to eat. This was the third time that Jesus showed himself to his friends after he was raised from death.

When they reached the shore they saw a fire with fish cooking on it - and bread too. Jesus said, "Bring some of the fish you have caught."

Jesus was waiting on the shore, but his followers didn't realise it was Jesus. Jesus called out, "Friends, have you caught anything?" "No, they replied."

# Eye Witness Interview

## **GROUP 1:**

Later, Jesus showed himself to his followers by Lake Galilee. This is how it happened. Some of the followers were together. They were Simon Peter, Thomas, Nathanael from Cana in Galilee, the two sons of Zebedee, and two other followers.

Simon Peter said, "I am going out to fish."

The other followers said, "We will go with you." So they went out and got into the boat. They fished that night but caught nothing.

### **Questions:**

*Why did you want to go out fishing?*

*What happened when you went fishing?*

*How did it make you feel that they you hadn't caught any fish?*

## **GROUP 2:**

Early the next morning Jesus stood on the shore. But the followers did not know that it was Jesus. Then he said to them, "Friends, have you caught any fish?"

They answered, "No".

He said to them, "Throw your net into the water on the right side of the boat, and you will find some." So they did this. They caught so many fish that they could not pull the net back into the boat.

### **Questions:**

*Had you caught any fish?*

*How did you feel when the person on the shore called to you?*

*What happened when you threw your net on the other side of the boat?*

## **GROUP 3:**

The follower whom Jesus loved said to Peter, "It is the Lord!" When Peter heard him say this, he wrapped his coat around himself. (Peter had taken his clothes off). Then he jumped into the water. The other followers went to shore in the boat, dragging the net full of fish. They were not very far from shore, only about 100 metres.

### **Questions:**

*Who was on the shore?*

*Why did you jump into the water?*

**GROUP 4:**

When the followers stepped out of the boat and onto the shore, they saw a fire of hot coals. There fish on the fire, and there was bread. Then Jesus said, 'Bring some of the fish that you caught.'

Simon Peter went to the boat and pulled the net to the shore. It was full of big fish. There were 153. Even though there were so many, the net did not tear.

**Questions:**

*How did it make you feel that there were so many fish?*

*What sort of questions were going through your mind as you reached the shore?*

**GROUP 5:**

Jesus said to them, "Come and eat." None of the followers dared ask him, "Who are you?" They knew it was the Lord. Jesus came and took the bread and gave it to them. He also gave them the fish.

This was now the third time that Jesus showed himself to his followers after he was raised from death.

**Questions:**

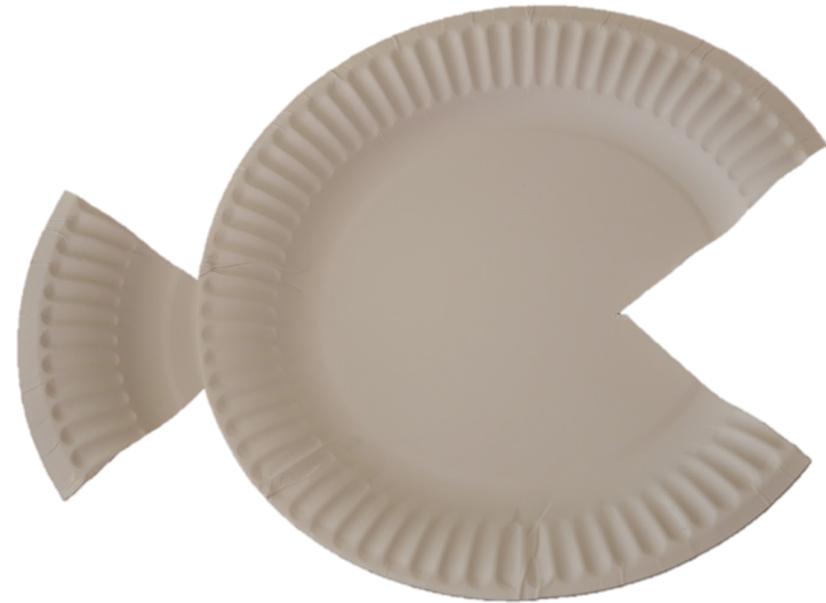

*Did Jesus giving you the bread, remind you of another meal with him? When?*

*How did it feel to have Jesus with you again?*

## Opposites Story Version 2

Can you find the 15 things that are different to the Bible story?

After Mark rose from the dead, he showed himself to his followers by Lake Galilee. The followers had been fishing in a boat. They had fished the whole day but not caught a single fish. Jesus was waiting on the shore, but his followers didn't realise it was Jesus. Jesus called out, "Enemies, have you caught anything?"

"Yes, they replied."

Jesus said, "Throw the net down from the left side of the boat and you will catch something!" The followers did, and they caught so many fish they couldn't get them all into the boat!

One of the followers said to Peter, "It's the Lord!" Peter then fell into the water to get to shore. The others took the boat and the fish to the shore.

When they reached the shore they saw a fire with marshmallows cooking on it - and bread too. Jesus said, "Bring some of the fish you have caught." Simon went to the boat - and dragged the net of fish to the shore. The fish were big and there were 1000 in total! But the net didn't break.

Jesus said to them, "Come and eat dinner." They didn't ask Jesus, "Who are you?" They realised for sure it was Jesus. Jesus took the bread and marshmallows and gave it to them to hold.

This was the first time that Jesus showed himself to his friends after he was raised from death.

Choose which word your whole group wants. Get into teams and see who can get the highest score!

Try and think of as many words as you can to do with today's story – and fit them into the grid. If your word starts with the letter on the grid you will get a higher score than if your words starts with that letter in it, but any words will do, so long as they are linked to the story. Each word scores the number that its last letter lands on, with a bonus of 10 for starting with the correct letter.
